

# 2<sup>nd</sup> Grade Learning Activities

## Week 1

### ELA

**Reading-** read or listen to a story. Complete a story map telling the character, setting, problem, and solution.

**Language-** Make a list of nouns you can see out your window. Write them in cursive!

**Reading-** Draw a picture of a cause/effect relationship. Write a sentence about the picture.

### Math

**Addition War-** split the deck in half, flip over the top card, 1st person to add the 2 #'s  
play alone adding the 2 #'s

**Measurement-** find objects around your house, use a ruler or measuring tape to measure. Put in order longest to shortest

**Money-** using a pile of change- close your eyes and grab some coins. Count the total!

### Dig Deeper

**Science:** Watch the following video: <https://mysteryscience.com/mini-lessons/germs-sanitizer>  
(Click the X when asked to enter email- you do NOT need a membership to view the video)  
Create an informational poster or foldable on "How Sanitizer Works"- Include 3 teaching points. Include a title, illustration, and heading on each teaching section!

#### Supplies for this week

Journal (notebook or loose paper)

Deck of cards

Measuring tool

We thought it'd be fun to keep a journal while we're learning from home! This week's topics:

1. Tell about the weather and something you can do!
2. How are you feeling today and why?
3. Tell about something you did for your family while home!

**These activities are for the upcoming week. Do what you can!**

**Enjoy the practice while you're home!**
