

# 2<sup>nd</sup> Grade Learning Activities

## Week 2

### ELA

**Language-** Find 3 items in your house. Write a sentence and use an adjective to describe each object.

**Language-** Make a list of verbs you can do at your house! Write them in cursive.

**Language-** Write this sentence on a piece of paper as it is written here: my teecher was so sad that we didnt have schul this weak

-Fix the errors (6) in the sentence. Name the sentence type.

### Math

**Fluency-** Fill in the blank with a number. The answer is \_\_\_\_\_. What is the problem? How many different addition and subtraction equations can you create to equal that number?

**Time-** make a list of things you do at about the same time each day. Draw an analog clock to show each time, then label is it AM/PM.

**Time-** Make a T chart of things you can do during the AM and things you can do during the PM.

### Dig Deeper

**Social Studies-** Think of people in the community that are helpers, with the current sickness, these helpers are so very important! Create a poster that tells about someone in our community who is a helper. Draw a diagram and include labels to show the supplies they use.

#### Supplies for this week

Journal (notebook or loose paper)

Analog clock

We thought it'd be fun to keep a journal while we're learning from home! This week's topics:

1. If you could go anywhere, where would it be and why?
2. If you could tell your teacher anything, what would it be?
3. Tell about a book you read this week!

**These activities are for the upcoming week. Do what you can!**

**Enjoy the practice while you're home!**
