

2nd Grade Learning Activities

Week 6

ELA

Writing- Make up a story about what your teacher does each day. (Feel free to share with your teacher via Google Doc or email).

Language- Draw a picture of your choice. Then, write a sentence using each of the sentence types- exclamatory, declarative, interrogative, and imperative. Don't forget to use the correct punctuation! (If you forgot about sentence types, we've included a reminder on the next page).

Reading- Create a timeline of your life. Start with the date you were born. Put pictures with events and dates to show when the events occurred.

Math

Place Value- "Guess My Number". Write down a number, then have someone try to guess your number. They can only ask "yes" or "no" questions. (Ex. Is it bigger than 55? Is there a 7 in the tens place?)

Place Value- Write down the age of everyone that lives in your house. Add all the numbers together. How old are you all together?

Place Value- Come up with 10 problems to compare 2 three digit numbers using the symbols $>$, $<$, $=$.

Dig Deeper

Social Studies- Make a list of businesses in your community or businesses you visit. Determine if these businesses provide a Good or a Service. Explain what type of service they offer or give an example of what kind of good you can purchase.

Supplies for this week

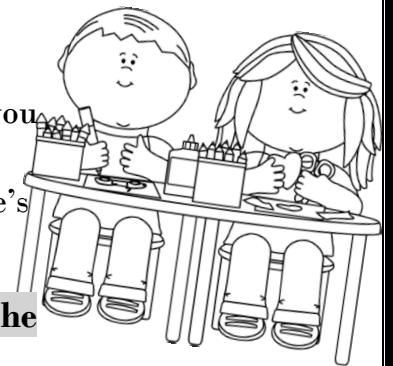

Journal (notebook or loose paper)
Book
Personal pictures

We thought it'd be fun to keep a journal while we're learning from home!

This week's topics:

1. What would be the best job to have when you grow up? Explain why you think this is the best job.
2. Write a story about a tiny troll who lives in your school and eats people's lunches.

These activities are for the upcoming week. Do what you can! Enjoy the practice while you're home!
